

REDUCED TO EXISTENCE

If silence sets you free
It's difficult to see
Where that leaves you and me
Cause we were always such a team

But I still wanna ride it out together

I know it's hard to speak
So listen, baby, please
We'll wait until you sleep
And catch up in a dream

The way you were will be with me forever
So I say we should ride it out together

It is still you I see
So that's how it'll be
I'm never gonna leave
Cause it was always you and me

The way you were will be with me forever
So I say we should ride it out together

This isn't gonna be one of those songs
Where you are gone, and I'm left alone
This isn't gonna be one of those songs
Where you are gone, and I'm left alone

This isn't one of those songs
This isn't one of those songs
This isn't one of those songs
This isn't one of those songs
